You're Fa-Brew-Lous!

On Friday May 31, 2024 at 8:15 am we are honoring our wonderful volunteers in the gym at William Reid School. There will be coffee and an assortment of treats for you to enjoy. There will also be various performances from our grateful students and an opportunity to chat with staff.

There is so much we couldn't do without our amazing parent volunteers. You add tremendously to our school community. We want to show our appreciation for taking time out of your busy lives to chaperone field trips, attend School Council, support teachers and students during our school residencies, fundraise, organize fun events for staff and students, distribute special lunches, and so much more.

Please RSVP with your child's teacher by May 17 to let us know if you are attending.
