School Council: The primary role of a school council is to support and enhance student learning by organizing volunteer-run activities and events that support the school program. School councils also provide one means for members of the school community to communicate with the principal. It is not the primary role of school councils to: fundraise, lobby, or engage in school management.

Parent Council: "Parent Council" is our informal name for the joint meetings of our School Council and our Fundraising Society. Alberta Education rules require these to be separate entities.

Fundraising Society: The primary role of a fundraising society is to raise funds that support the school program and extracurricular activities.
